

July 9, 2020

To: Grand Travels Customers

When Grand Travels 2020 was launched on April 1, there was little warning of the impact the Covid-19 virus would have on our country, our economy and our industry. The dramatic spread of the virus during the months of April, May and June resulted in significant restrictions being put in place by the federal government, state and local governments, all of which severely impacted people's lifestyles and the functioning of businesses.

Without a treatment or vaccine to address Covid-19, the safety and health of our Grand Travels customers became a priority for us. As a result of the medical unpredictability, a decision has been made to postpone our Grand Travels trip to Costa Rica from January 2021 to January 2022.

However, the current Grand Travels customer sales incentive program will remain in place and run through October 31, 2020. So, if you achieve your Points and Dollar goals for this year's program, you will earn a trip to Costa Rica in January 2022! If you have any questions about the program, please give us a call.

Your continued support of the 2020 Grand Travels program is appreciated

Sincerely,

George Kostidis
