World Class Sportfishing

Fishing enthusiasts may never want to leave the world-class Los Sueños marina, which is Costa Rica's only full-service, government sanctioned five-star marina. It is home to the largest fleet of game fishing captains and boats in the country, making this an unforgettable vacation spot for sportfishing enthusiasts. Los Sueños is home to two exclusive sportfishing tournaments, as fishing waters nearby are among the top of the big game fishing destinations. Fishers can cast a line for 40-pound dorado, 300-pound yellowfin tuna and big Pacific sailfish.

Much to see, Much to do

Herradura translates to "horseshoe" which is the perfect description for this remote beach. The calm waters are perfect for swimming. For the nature enthusiast, Carara National Park is home to the endangered Scarlett Macaw, and monkeys and sloths abound along an immaculate white sand beach in Manuel Antonio National Park. Try whitewater rafting, waterfall rappelling or soaring on canopy ziplines. Take a leisurely canopy tram, catamaran cruise, horseback riding, river kayaking or explore mangroves from the comfort of a pontoon boat. And don't forget shopping for that perfect souvenir! The possibilities are endless.
